Work History

Kean University – Supplemental Instruction Team Leader

Union, NJ   January, 2023 - Present
- Facilitated meetings with other Supplemental Instruction Leaders to provide announcements, monitor progress, and provide feedback on performance and preparation materials.

Kean University – Supplemental Instruction Leader

Union, NJ   September, 2022 – December, 2022
- Organized and facilitated Supplemental Instruction sessions and office hours for students taking Fundamentals of Computer Science to review difficult course material in a group setting.
- Utilized various facilitation skills including redirecting questions, utilizing wait time, and checking for understanding to ensure productive review sessions.

Hunter Digital – Node.js Backend Developer Intern

New York, NY   October, 2019 – January, 2020
- Developed a REST API using Express, PostgreSQL, Postgis, and Redis.
- This application used location filtering and personal preferences to help find the right summer camp for their child.

General Assembly - Software Engineering Immersive

Stamford, CT   June, 2019 – September, 2019
- Completed General Assembly's *Software Engineering Immersive* 13 week long training program dedicated to preparing students to think like engineers and approach problems creatively in order to build the next generation of web applications.

Petco - Companion Animal Leader

Norwalk, CT   September, 2016 – May, 2018
- Reviewed pet health history, examined animals, conducted tests and prescribed treatments for diagnosed conditions.
- Educated staff members on proper medical care procedures and pet care protocols.
- Performed various administrative functions, including filing paperwork, delivering mail, sorting mail, office cleaning and bookkeeping.
